TOWORKFOR[®]

BOLDLY SAFE

BOLDLY SAFE.

Toworkfor is a brand for the real hard-working people.

Everything we do is bold in design, innovation and technology, thinking about those who take real risks every day. After all, if every worker has to be bold in their daily life, the least we can do is to be bold too.

Cause risk is everywhere, safety is everything.

Are you bold enough?

 **TOWORKFOR[®]**
BOLDLY SAFE

INJECT SOME COOL IN YOUR WORK-LIFE.

ECO TEXTILE

Fabric made from Hemp - a sustainable, highly durable and breathable material.

S1P Certification

ECO BIORELAX INSOCK

Total recovery insock with active carbon filter to reduce odour. With recycled rubber and PET. Easy to remove for cleaning and drying.

Q-FLEX INSOLE

Anti-perforation, non-metallic and anti-static insole.

ECO BASKET RUBBER SOLE

Biodegradable sole made with wood cellulose and rubber.

SRC ESD Certification

RECYCLED SHOELACES

Made with recycled PET.

SUEDE LEATHER

With excellent transpiration features and flexibility. It has the Leather Working Group trade seal.

S3 Certification

STEEL TOE CAP

Protects against pressure up to 200 joules.

WORKOUT

X-STABILIZER REINFORCEMENT

Ankle support that adjusts and gives better balance. Lace reinforcement that eases the fitting and provides extra safety.

FLOAT INSOLE

Non-metallic, extremely light and flexible, ideal for long activities. Excellent sweat absorptions.

ACTIVE FOAM INSOCK

Foam that helps to prevent muscle fatigue, while relieving heel pressure.

MATERIAL 3D AIR FLOW / DRY FIT KNIT

Extremely breathable and flexible 3D Mesh, ideal for warm environments and long activities.

O1 Certification

TOE CAP ALUMINIUM REINFORCED

Lightweight toe cap against pressure up to 200 Joules. Rubber coating for extra protection and easy cleaning.

TRIPLE SPEED EVA & RUBBER SOLE

Smooth and extremely light midsole with a thin layer of ESD rubber. Oil resistancy and self-clean system.

SRC ESD Certification

THE TOWORKFOR'S PPE **MANAGEMENT PLATFORM** **IS COMING SOON.**

The new TOWORKFOR workwear collection is much more than just a collection of clothes. So, if you like what you've seen so far, well, you'll be surprised to know that the best is yet to come.

The **“TOWORKFOR Personal Protective Equipment Management Platform”** is a technologically advanced sensor solution that, through an innovative RFID system, will enable the optimisation of several everyday tasks.

Can you imagine managing automatically and intelligently all the stock of personal protective equipment in your company? Recording and storing the history of all items given to each worker? Measuring and quantifying the number of times each piece is worn by each worker? Or even controlling the ins and outs of each piece?

Yes, the future is much closer than you think.

Talk to us to find out everything that TOWORKFOR's PPE Management Platform can do for you and your business.
